## Itangoo Community TRUST

Health / beauty

### Custom Website Package

CMS for frequent content uploads · 6 domain emails

Website build P7,500 · Domain & hosting via Bekomedia

### What TechLab builds

- **Custom multi-page business website**  
Designed for Itangoo Community TRUST's services and brand
- **Content Management System (CMS)**  
Upload and update content yourself anytime
- **Mobile-ready + WhatsApp contact**  
Works on phones; easy "message us" button
- **Basic SEO setup**  
Titles, meta, Google-friendly structure
- **Training session**  
We show you how to post and manage content
- **Email accounts configured on your domain**  
We set up your 6 mailboxes after Bekomedia is live

### TechLab investment

Custom website build + CMS + training + email setup

TechLab total

**P7,500**

one-time · as per Custom package poster

50% deposit to start

**P3,750**

Balance P3,750 due on handover

### Domain, hosting & emails – Bekomedia (separate)

Purchased from bekomedia.co.bw – not included in the P7,500

#### Recommended: BW Domain + Gold Hosting

~P1,179 / year

Includes domain, hosting & up to 25 emails (covers your 6 mailboxes).

TechLab can set this up for you – billed at cost.
